

Take all background art to this bleed line (this ensures you get a nice clean edge after the print is trimmed)
* please crop art to bleed line (this will ensure proper placement in the print shop)
Please keep all Text and Important elements within these guides (this is your safety area)

Please double check that all important components of your submitted artwork (text, etc...) are within the supplied safe regions of the template and that your artwork extends past the bleed lines. Failure to do so may result in some clipping of your artwork or white borders around your artwork. By approving this proof you are confirming that you have read this warning and accept full responsibility for the placement of this artwork.
